Ever wondered why pepperoni slices on pizza curl up at the edges while baking?

When your pizza hits the oven, the magic begins! Pepperoni's blend of pork, beef, and spices, coupled with its fat content, makes it special. As the pizza bakes, the fat renders, causing the slices to shrink and form flavour-packed "cups".

The surprise? Each bite of curled pepperoni delivers an extra punch of flavour! The edges act as savoury cups, holding all the delicious juices and spices for a tantalising treat!

Not only do curled pepperoni slices pack a flavor punch, but they also add a visually tantalising texture to your pizza. The slightly crispy edges and unique cup shape make it even more delightful!

The design of the coffee cup and lid should be easy to hold, with a comfortable grip and a secure lid to prevent spillage.

The lid should also be easy to open, yet fit tightly enough to prevent leakage.

The use of high-quality materials for the cups and lids is also important to prevent any leaks or cracks.

- 9. Exclusion of liability for delay in Delivery**
- 9.1. The Seller shall not be liable for any loss or damage whatever due to failure by the Seller to deliver the Goods (or any of them) promptly or at all.
- 9.2. Notwithstanding that the Seller may have delayed or failed to deliver the Goods (or any of them) promptly the Buyer shall be bound to accept delivery and to pay for the Goods in full provided that delivery shall be tendered at any time within one month of the Delivery Date.

- 11.1.2. The Buyer suspends or ceases to carry on all or major part of its business; or
- 11.1.3. The Buyer's financial position deteriorates so far as to justify the Seller's opinion that the Buyer's ability to give effect to the terms of the Contract is in jeopardy.
- 11.2. Without limiting its other rights or remedies, the Seller may suspend supply of any Goods under a Contract if the Buyer becomes subject to any of the events listed in Condition 11.1 or the Seller reasonably believes that the Customer is about to become subject to any of them, or if the Buyer fails to pay any amount due under a Contract on the due date for payment.
- 11.3. On termination of the Contract for any reason the Buyer shall immediately pay to the Seller all of the Seller's outstanding unpaid Invoices and interest and, in respect of Goods supplied but for which no Invoice has been submitted, the Seller shall submit an Invoice, which shall be payable by the Buyer immediately on receipt.
- 12. Sale or Return**
- If the Seller shall agree to sell Goods to the Buyer on a sale or return basis any Goods not returned to the Seller within 2 months of delivery shall be deemed to have been sold by the Buyer and the Buyer shall be liable for the Price.
- 13. Assignment and other dealings**
- 13.1. The Seller may at any time assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with all or any of its rights or obligations under any Contract.
- 13.2. The Buyer may not assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with any or all of its rights or obligations under a Contract without the prior written consent of the Seller.
- 14. Variation**
- No variation of these Conditions shall be effective unless it is in writing and signed by the parties.
- 15. Severance**
- If any provision or part-provision of a Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of the Contract.
- 16. Notice**
- 16.1. Any notice given to a party under or in connection with these Conditions shall be in writing and shall be:
- 16.1.1. Delivered by hand or by pre-paid first-class post or other next working day delivery service at its registered office; or
- 16.1.2. In the case of the Seller, sent by email to the following addresses info@magnafoodservice.co.uk.
- 16.2. Any notice shall be deemed to have been received:
- 16.2.1. If delivered by hand, at the time the notice is left at the proper address;
- 16.2.2. If sent by pre-paid first-class post; or
- 16.2.3. If sent by email, at the time of transmission, or, if this time falls outside Business Hours in the place of receipt, when Business Hours resume.
- 16.3. This Condition 16 does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.
- 17. Governing law**
- Each Contract and these Conditions, and any dispute or claim arising of or in connection with them is subject to the law of England.
- 18. Jurisdiction**
- Each party irrevocably agrees that the courts of England shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with a Contract or its subject matter or formation and these Conditions.
